

SPLASH FLOORS 6%

SPLASH PAVIMENTI is a floor cleaning perfume.

Unlike other products, Splash combines the detergent function with a high concentration of perfumed fragrance that gives the rooms an intense and persistent scent.

SPLASH PAVIMENTI can be used on any type of tiled surface.

ADVANTAGES

Reduced drying times with the advantage of making the environments usable in a short time; does not require rinsing; it is not irritating to the hands, it is instantly soluble in water. Very intense and persistent fragrance.

METHOD OF USE - dosage

The product comes in concentrated form and is ready for use.

Use the cap as a measuring cup (10ml). Normal fragrance: One measuring cup (10ml) is enough for an 8-liter bucket of water. Intense fragrance: For a more fragrant environment, increase the dosage: a full cap (25ml) for an 8-liter bucket of water.

On floors: pour in water and wet the floor with a cloth soaked in this solution. Remove dirt with a damp cloth.

On walls, tiles, porcelain, enamel, wooden or metal surfaces (not painted): wipe the surface with a sponge soaked in this solution, remove the dirt with a clean cloth. Rinse the sponge frequently to prevent dirt from accumulating.
